### Time to Worship Online!

Pastor Bob and the council met this week and discussed the rapid rise in COVID cases in our county, as well as reflecting on the Governor's call to limit gathering sizes. Here are a few things you need to know.

**Church Online** - We will have two online services each Sunday at 8:30 (Traditional) and 10:30 (Contemporary). Services will be online and on-demand throughout the week! We will not be gathering in-person at this time.

**Communion** - We will hold drive-through communion events at St. Mark. In addition, we will be creating a "communion at home" guide so you can celebrate communion at home. More info coming soon.

**Office Hours** - Our offices and church buildings will not be open during the week. St. Mark staff will continue to work a hybrid of in-person and remote office time and are available by appointment.
